   The Anglican Church of Kenya

16th June 2020

Dear Sponsors,

RE: EMERGENCY RESPONSE APPEAL FOR SUPPORT

Greetings in the name of the Lord.

1. Who we are

The Anglican Development Services (ADS-Kenya) is a faith-based organization charged with the Anglican Church of Kenya's development issues. ADS Kenya is the national coordination and facilitation office for all the social development initiatives of the Anglican Church in Kenya; it is the secretariat to 10 ADS Regions that cover the 47 counties of Kenya. These regions are; Pwani, Eastern, Nairobi, All Saints' and Kajiado (NAIKA), Mt. Kenya, Mt. Kenya East, Central Rift, North Rift, South Rift, Western and Nyanza regions. The organization is led by the Board of Social Services, which is a policy making body appointed by the Anglican Church of Kenya Provincial Synod to govern the social development services of the Church.

2. What we aspire for

Our vision is a sustainable organization that works with communities to attain Godly and dignified living. While the organization's mission is '*Building partnerships with communities and enabling them to exercise their God-given potentials in addressing their needs*' forms the driven force behind its ability and successes in ensuring sustainable and empowered communities in Kenya, focusing majorly on the most vulnerable including women, youth, PWDs and other vulnerable persons.

3. Our Work on the ground in response to COVID 19

Our interventions programs over years and now revolve around community development which includes ensuring food security, provision of health care, economic empowerment and climate change adaptation and mitigation. ADS is also entrusted with emergency responses to Kenyans faced with different forms of risks such as floods, famine and health issues. We have responded to floods and landslides in different parts of the Country such as Nyando, Budalangi, West Pokot, Tana- River Delta. Through provision of food, shelter and health supplies. We have supported five health facilities with Personal Prevention Equipment and also with medicines. Our staff have sensitized communities on Covid-19

4. Our request to you

In view, of the over whelming needs coupled with the impact of Covid-19 in the communities we are seeking your assistance to continue to support the very needy in our society. We are already in the move but we are financially constrained and your support will go a long way to supplement what we are already doing on the ground.

We have commissioned a **Pay Bill Number 8013501 Account number 1103208152** to mobilize resources towards supporting the very needy in our society.

We hope this request will meet your kind consideration.

Yours Sincerely,

The Most Rev. Jackson Ole Sapit.
